

WINTER WORK

In order to prepare for the 2nd semester of Reading & Writing, it is important to read and learn new vocabulary.

International newspapers online is a good place to start for current affairs.

Here are some examples:

<https://www.bbc.com/news>

<https://www.nytimes.com/section/todayspaper>

<https://www.theguardian.com/international>

<https://www.theglobeandmail.com/>

<https://edition.cnn.com/>

<https://www.dailytelegraph.com.au/>

You must also complete Units 5 and 6 in the book and digital workbook. Unit tests and answers are in the folder.

Begin to research the topic – writing an academic research paper.

Study vocabulary every day.

Enjoy your break!
